RE: Docket Number: NHTSA 2001-0828 -19  
NHTSA 2001-0020 -18

Letter in support of the JKT Petition

Dear Sir:

Please let me be quick and to the point.

- There is at least a 4 year waiting list for the purchase of the 2001 Ferrari 360 Spider. Protect our USA citizen's rights to purchase and import a foreign car.
- Do not use taxpayer dollars to support and promote the auto dealer's agenda.
- Privileged delays and extensions of comment periods for Ferrari of North America and their agenda is creating a less than equal chance for the rest of us to take part in the import market.
- Ferrari of North America's issues concerning conversion of these cars are fabricated at best and technology wise false.

Sincerely yours,

*Aldo & Caryn Milmoun*
